Study Group Report

ICA Round Table

37th Conference

- Strategy
- Architectures
- Budgets
- Plans
- Controls
- Standards
- Technologies

ICA Round Table

37th Conference

Does e-Government mean more central control?

If so, are politics or economics the driving force?

Is there a swing back in power to the Central Authority?

ICA Round Table

37th Conference

- 2nd Phase strategies: Implementation
- National Portals/one stop etc: What lies beneath
- Internet: Is there a clear policy
- Have we really consulted with the public
- Is 2005 another Y2K
- Open Source: will it ever happen

ICA Round Table

37th Conference

Internet

- Is there a clear policy
- Why is it needed
- Can services be guaranteed

ICA Round Table

37th Conference

Public Consultation

- Has it really happened
- Methods used: Do they work
- Is consultation for the good of the user or provider

ICA Round Table

37th Conference

Open Source

- What is it
- Will it last
- How can we help

ICA Round Table

37th Conference
Does 2005=Y2K+5

- Can targets be met
- Who will decide implementation has happened
- What follows e-Gov
 - ◆ e-Gov II e-Gov III son of e-Gov
 - m-Gov? a-Gov? d-Gov?
